## Specification & Item Numbers

The ARC-Series 2 and 3 are adjustable radius chucks which optics can be easily inserted and removed securely. Both featuring non-rotating V-grooved tips and lockable screws can fix the optics firmly.

**ARC-2 / 3**

**A**  
Screw A can be moved up and down to hold different sizes of optic in place

**B**  
Screw B functions as a lock nod to hold screw A in place
